

2008 Primary Candidate Endorsements

Primary endorsements are below for Arizona's contested primary legislative races. If a race is uncontested in the primary election, HVA is not making an endorsement for the primary. In some district races that are contested in the primary, HVA either does not endorse any of the candidates or has no information about the candidates. In such cases HVA has made no endorsements. In races in which HVA is making endorsements, those endorsements are based on legislative report cards for 2008 and past years and questionnaires. Please note that we only have legislative report cards for incumbents, and we only have questionnaires for candidates who have responded to HVA's request. If candidates in your legislative district have not responded, please contact them, let them know you are a voter in their district and you would like for them to fill out the HVA questionnaire and return it for the general election. If you are willing to volunteer to contact candidates who have not returned questionnaires, or if you have questions or comments please contact us at humanevotersarizona@cox.net. Please remember HVA is an all volunteer organization, and volunteers will endeavor to respond as quickly as possible. HVA is the Arizona Chapter of Humane USA.
