Animals play an important role in the lives of many Arizonans, who consistently demonstrate concern for animal protection. Humane-minded citizens of all political stripes care deeply about the positions their elected officials take on animal protection issues. Humane Voters of Arizona (HVA) appreciates your input on this 2011 Phoenix Mayoral Candidate Questionnaire.

BACKGROUND INFORMATION

Have you ever been involved in any animal protection issues? If so, which ones?

Yes No X

Comments

Do you have, or have you had in the past, any companion animals that have had an impact on you?

Yes No X Comments

I am allergic to Cats and Dogs as well as many other animals with hair*

Do you financially or philosophically support any local or national animal protection organizations? If so, which ones?

Yes No

Comments _____

COMPANION ANIMALS AND HOMELESSNESS

Every year, tens of thousands of cats and dogs are killed in shelters throughout Arizona. Taxpayers bear the cost of picking up, housing, and ultimately euthanizing these homeless or unwanted animals. The pet overpopulation crisis is the direct result of irresponsible breeding and animals left unaltered in our communities.

Would you be willing to work with animal care and control agencies and/or shelters in Phoenix to address problems related to the homeless animal crisis?

Yes No

Comments _____

I have worked with the local Human Society to help find homes for animals held there. I also use my personal websites and social networks to post animal adoption notifications.

Between 30-40 % of cats that enter shelters in Maricopa County will be euthanized. Those shelters are working with many neighborhoods and a group of non-profits to do Trap Neuter Return of feral cats and to provide low cost and no cost spay neuter services to owned cats.

If elected, would you be interested in learning more about Trap Neuter Return and plans to reduce the number of unwanted cats in Phoenix?

Yes No

Comments _____

Would you support a resolution acknowledging the grassroots effort to solve this community problem?

Yes **No**
