**COMPANION ANIMALS AND HOMELESSNESS**

Every year, tens of thousands of cats and dogs are killed in shelters throughout Arizona. Taxpayers bear the cost of picking up, housing, and ultimately euthanizing these homeless or unwanted animals. The pet overpopulation crisis is the direct result of irresponsible breeding and animals left unaltered in our communities.

**Would you be willing to work with animal care and control agencies and/or shelters in Phoenix to address problems related to the homeless animal crisis?**

Yes  No  Comments \_\_\_\_\_

Between 30-40 % of cats that enter shelters in Maricopa County will be euthanized. Those shelters are working with many neighborhoods and a group of non-profits to do Trap Neuter Return of feral cats and to provide low cost and no cost spay neuter services to owned cats.

**If elected, would you be interested in learning more about Trap Neuter Return and plans to reduce the number of unwanted cats in Phoenix?**
